1. GENERAL

1.1. Last Mile Infrastructure Group Limited (the “Company”) designs, installs, owns and operates multi-utility infrastructure networks including gas, electricity, water and wastewater, as well as smart meters, connecting new build properties across the United Kingdom.

2. POLICY STATEMENT

2.1. Installing our networks safely and responsibly is fundamental for the Company. The Board recognises and accepts responsibility to provide a safe and healthy working environment to prevent injury and ill health for all staff, contractors and visitors who attend Company premises and transient work sites, and others who may be affected by the conduct of its operations. In order to achieve this stated aim, the Company is committed to:

2.2. delivering safely, on time, to budget and demonstrating a high standard of skill and care in everything it does, whilst ensuring always that due and appropriate consideration is given to the needs and concerns of the Company’s various stakeholders;

2.3. maintaining and continually improving a documented and independently accredited Safety Management System complying with the requirements of HS(G) 65 “Successful Health and Safety Management”, BS EN ISO45001:2018, all applicable statutory and regulatory requirements, industry best practice and recognised guidelines, and any other customer specific requirements;

2.4. setting an example of leadership in health and safety management by promoting a “Safety First” culture, providing a safe place of work, safe systems of work and safe plant and equipment, effectively controlling the health and safety risks to staff, contractors and the general public, so far as it is reasonably practicable to do so;

2.5. setting and reviewing at Board level, in conjunction with the Company’s professional health and safety managers, health and safety objectives and targets, accident investigations and audit programmes to facilitate continual improvement;

2.6. consulting with staff, and worker representatives, on issues relating to occupational health and safety and

providing appropriate information, instruction and training to ensure all staff and contractors are aware of their health and safety obligations;

- 2.7. undertaking an ongoing programme of occupational health surveillance;
- 2.8. ensuring risk assessments are undertaken on an on-going basis, with staff participating in the risk assessment process to proactively assist with the identification of hazards and the setting of prioritised objectives for the elimination and / or reduction of risk;
- 2.9. promoting and protecting staff mental health and wellbeing through regular mental health awareness communications, the provision of an employee assistance programme and mental health support;
- 2.10. ensuring that enough resource is allocated as required for the implementation of this Policy; and
- 2.11. communicating this Policy to staff, contractors, customers, the general public and any other interested parties.

3. SCOPE

- 3.1. The Company and all related subsidiary undertakings are within the scope of this document. We expect the same high standards from all our contractors, suppliers and other business partners.
